

Top 10 Reasons Teachers Love SAI

1. Meet other creative educators from across Oregon.
2. Learn about student career opportunities in Oregon's \$8B ag industry.
3. Enjoy scenic inspirations with delicious meals.
4. Access continuing classroom resources after SAI with Ag in the Classroom.
5. Consult directly with ag producers and scientists.
6. Implement new content and tools in your classroom and lesson designs.
7. OSU-faculty guided reflections on daily experiences and teaching.
8. Cost effective professional development with 3 graduate credits from Oregon State University.
9. Bridge the gap between Oregon's farmers and your students.
10. Build in-depth knowledge of Oregon's food system.
